25TH ANNUAL CONFERENCE

NOVEMBER 14 – 16, 2021

COPENHAGEN – DENMARK

TIVOLI HOTEL

(www.tivolihotel.dk)

Copenhagen

In cooperation with **BIBM**

WELCOME TO COPENHAGEN

Welcome....

...to the 25th IPHA Annual Conference

I am delighted to offer a warm welcome to delegates and their partners to the **25th Annual Conference** from November 14 to November 16 in **Copenhagen**, the capital of Denmark.

As in 2014 in Istanbul and 2017 in Madrid, our conference will be partnered with BIBM. Co-operation with **BIBM** provides excellent **networking opportunities** with people from the broader **precast concrete sector** and it is expected to give us access to an exhibition with more than seventy companies from 43 different countries.

The presentations at the conference deal with topics such as: **European challenges for precast, The digital transformation in the construction sector and the role of precast concrete, A step towards circular economy, Shaping the landscape with precast, Precast architecture – technical solutions, Decarbonising the precast concrete value chain – the role of precast, Precast successes in Nordic Countries and New business opportunities.**

The conference will take place at the **TIVOLI Hotel, Copenhagen** – a wonderful venue close to the harbour and centre of Copenhagen.

On behalf of **IPHA**, I'm delighted to invite all members with their partners to the **IPHA dinner** on 14 November at 19:00 at the TIVOLI Hotel. Please do not forget to register for the dinner. The registration form can be found on the last page of this invitation and should be returned to Carsten Friberg (Carsten.friberg@hollowcore.dk) before 30 September 2021. Participation in the **IPHA dinner** is free.

To register for the conference please go to www.bibmcongress.eu and click "Registration" on the main menu. To see the best hotel options click on "Accommodation". **Please remember to book the hotel yourself.**

Enjoy the IPHA conference and welcome to Copenhagen,

Yours Sincerely,

Seamus McKeague
President
